To Thinking People

it is surprising that more young men and women do not decide to learn Bookkeeping, Shorthand and Typewriting, or Stenotypy. The The demand has always exceeded the supply. The salaries for beginners compare most favorably with other occupations, and it is safe to say that in larger firms and corporations, over 75 per cent. of the premetions that are made from the cierical force to executive positions, are made from the Stenographic Corps.

It is the best stepping stone to success in business any young an or woman can have.

TROLLEY TRACK EXTENSION

Launching of Vessel Built By the Sedectmen Grant Right to Lay 1600 Feet in Salem Turnpike, Permission to extend the trcks of

the Shore Line Electric company from Backus corner at East Great Plain out along the Salem turnpike 1690 feet in along the Salem turnpike 1800 feet in order primarily to provide better accommodations for people going to the New London County fair was granted by the selectmen at a hearing held in the selectmen's office on Saturday morning at 11 o'clock. First Selectman Albert W. Lillibridge presided. A. S. Spalding acted as clerk and Selectmen William B. Wilcox and Charles P. Bushnell were on the platform.

Engineer Shepard B. Palmer explaining the layout, said that the extension of the track would lie at one side of the road and would not affect the macadam, although the concrete bridge that the town is building near the Ford Johannes. the Ford icehouses woud have to be widened. The widening woud be borne by the trolley company. In reply to a question by John P. Murphy, Mr. Palmer said that it is 4500 feet from

Palmer said that it is 4500 feet from the corner to Maplewood cemetery.

Mr. Murphy stated that people could met understand why the trolley line has not been extended longe before this time to the cemetery and he was about to delve into the his of this failure and the causes therfor when Rutherford C. Plaut rose to the point of order that the meeting was to disextension and not cem Murphy though the

tural society is not in it. He figure that an extension of 1600 feet would be so much toward lengthening the he so much toward lengthening the trolley line out to Maplewood. He said that if there were a track into the fair grounds Morton F. Plant would send his cattle to the fair. Mr. Palmer said that the cars will cover the extra 1600 feet daily after it is built.

Washington Holt, superintendent of the cametery spake in favor of the

TROLLEY TRIP FOR

NEWSPAPER MEN. From Boston to New York-Pass

Through Here This Afternoon. Somewhat like the trolley trip that went through here last summer, party of street railway and newspapermen are to go through this city this afternoon on a trip from Post Office square in Boston to New York. It is expected that the car will come into Norwich over the Plainfield and Jewett City lines about 4.15 o'clock. President Robert W. Perkins of the Shore Line Electric Railway company went to Boston on Sunday and will be one of those to come on with the

one of those to come on with the party today.

The first night will be spent at New London, and New York city will be reached at 6 p. m. Tuesday. The trip of 282 milees will be made without a change of cars, and this is made possible by the completion of the link between Saybrobk and New Haven. The route will be through Brockton. Taunton, Providence Danielson, Norwich, New London Saybrook New Haven. Eridgeport, Norwalk, Stamford and New Rochelle. Tuesday night the Boston party will return home by train and the following morning a New York party will come east on the trolley trip. party today.

WEDDING.

Silbert-Cooke.

ards and Mrs. Herbert R. Branche. Ice cream was sold by Masters Goff Briggs and Willis and Malcolm Austin. Assisting were Mrs. Emma Taber, Miss Villa Carroll, Miss Katharine E. Brown and Miss Dorothy Brown, Miss Louise Howe, Miss Winifred Welles, Miss Ellia Mathewson and Mrs. Archibald Gilchrist. Flowers were donated by Reuter's.

The post office authorities in Washington have arrived at the conclusion that residents of the United States who desire to send mail to an Oriental destination and send it "via Europe and the trans-Siberian railroad," are taking about a 100 to 1 ohance that it will reach its destination, and all the postmasters have been so notified.

Silbert—Cooke.

A very pretty wedding took place at noon Saturday on the lawn at the home of William Avery Cooke, Fort Hill farm, when Miss Amelia A. Cooke and Alfred G. Gilbert were married by Rev. Joseph F. Cobb. The veranda distantively decorated with fes toons of wild flowers. The bride was dressed in white creps meteor and carried as shower bouquet of sweet peas.

The bride and groom were attended by Miss Katherine Newman of Hopedale, Mass, and Peter Kinghom of Hampton, Va. The wedding march from Lohengrin was played by Miss Ruth Beebe. A reception followed the Canada, Mr. and Mrs. Gilbert will reside at Hampton.

GATHERING FOR THE FRAY.

LEADERS IN ROQUE

National Champion Everett W. Robin-son and Others Have Already Ar-

For ther thirty-third annual tournament of the National Roque association in Norwich this week, the vanguard of the players arrived Sunday afternoon. These include Jesse E. Webb and his son, Horace T. Webb of West Chester, Pa., William E. Hoagiand also of West Chester, the three coming as representatives of the Philadelphia Roque club and William L. Robinson and his son, Everett W. Robinson, who is the national champion, of Mansfield Mass. This party, all of them for years interested and enthusiastic over the game of roque are at the Wauregan. Their arrival in Norwich for another year brings them a cordial welcome from their friends made here during past tournaments.

friends made here during past tournaments.

As chairman of the committee of arrangements, in which position he has served for a number of years. Horace Webb will have a busy time today helping the local officials getting everything ready for the opening of the tournament on the dot tomorrow morning. At the same time he will be among the strong players of the first division.

division.

J. C. Kirk and I. F. Feiton of Philadelphia are also due today or Tuesday for the tournament.

From E. W. Robinson the other players are looking to see spectacular roque this coming week in his effort to retain championship honors for another year.

CAPTAIN DIAMOND LIVED

IN THREE CENTURIES Dies in San Francisco in His 119th Year.

A San Francisco despatch of Satur-day said: Capt. Goddard Ezekiel D. Diamond. Loving cups were awarded to New London camp for its baseball victories and to Norwich for winning the shoot, but the trophies must be won three times before they become a permanent possession.

The committees that had charge of the big outing were, from New London, C. N. Burdick, Winder P. Recd,

Captain Diamond had been for some years pas ta resident of the San Fran-cisco home for the aged. In writing to a Norwich friend recently he mention-ed that on July 15 he was confined to his bed by illness, the first time in

CAPT. DIAMOND

many years that this experience had many years that this experience had come to him. His disease soon developed a quite serious case of shingles, from which he had suffered acute'y, but he wrote that he was resting comfoatabl yand there seemed a good prospect that he would escape the humiliation of ending his long life by what he called "simply a bib disease."

Captain Diamond was probably the oldest backelor in the world. He was Washington Holt, superintendent of the cemetery, spoke in favor of the extension and he was complimented on his stand for progress by Mr. Plaut who prophesied that the future will see the road extended to the cemetery and on to Gardner Lake.

President Perkins said that the extension wil not add to the income of the trolley road but Selectman Wilcox thought that it would. Selectman Lillibrodge considered that the extension would benefit the trolley road and that when it is extended into the fair grounds there wil be an even greater benef. The selectmen held a short conference and then their permission was granted.

TROLLEY TRIP FOR had used pure olive oil internally and externally. At the age of 104 he wrote that his experience justified the opinion that a man could live into the second century of his life and enjoy i rising youth-retaining every faculty and retaining every experience.

FIRST ANNUAL CLAMBAKE OF COMMERCIAL TRAVELERS Council No. 309 Has An Enjoyable

Day at the Drawbridge, Signal success attended the first an Signal success attended the first annual clambake conducted at the Drawbridge on Saturday by Norwich Counciers. cil. No. 309, United Commercial Travelers. Besides the Norwich men those on hand included members from Westerly. New London and Willimantic, about 39 in all. or part of them the trip was made by boat, embarking in the morning from boat, embarking in the morning from the Osgood dock in the launches of Gurdon F. Bidwell and Arthur G. Beck, Others traveled in the automobiles of George A. Lathrop, Charles S. Peck-ham, Norman Kimball, and Mr. Rud-dock of Willimantic.

One of the events of the day was the baseball game between the teams captained by James Conway and Alexander Jordan, in which Charles Peckham was the umpire, and in which the Conway team came off victorious by the score of 35 to 10.

There was everything good expected about a clambake, which was in the hands of Chester W. Barnes and the many was a success from end to end. Henry W. Lang, Cmharles D. Tingley and James Conway were the committee that looked out for that.

Incidents In Society

Recent arrivals at the Griswold, Eastern Point, include Col, and Mrs. C. W. Gale and P. E. Briggs.

Mrs. W. W. Gamwell and sen of Pittsfield, Mass, are guests of her brother and sister-in-law, Mr. and Mrs. W. C. Osgood. The trip was made by automobile.
